## Pop Up Gift Shop

We are beginning to make plans for the Christmas **Pop Up Gift Shop** for the children to participate in at school on the morning of **6th December**.

The gift shop is when all children will get the opportunity to come and select up to two gifts and wrap them ready to give to mum, dad, family member or a carer for Christmas.

To help this happen we need parents' help and ask parents to donate small gifts to help create the gift shop.

The gifts are token gestures and can either be items you already have at home that are unopened or something suitable to be re-gifted(!)

If buying something new to donate, it can be anything from toiletries, mugs, chocolates (no nuts please) to socks, a key ring or a torch as just a few examples. But no alcohol please.

Any donations of wrapping paper will be greatly appreciated too! Boxes will be left for donations by both reception and main playground entrances.

We ask that on the day of the gift shop that children are sent with a donation of **£1 per gift**, but all children will be able to participate.

## Estate Agent Boards

**Robert Leech** have kindly provided estate agent boards to advertise the Christmas Fair.

If you would be willing to have one, we need 25-30 addresses. Please email address to [lizzycutler@gmail.com](mailto:lizzycutler@gmail.com) or msg 07769975483.

## Christmas Shopping with Easyfundraising

Please consider signing up for **easyfundraising.org** for your Christmas shopping.

Imagine if all of us did, how much would be raised for the school!

Easyfundraising donates a portion of your spend to the school from popular online sites like **Amazon, John Lewis** and **Waitrose**, costing you nothing.

Sign up using this link for the school...

We also need volunteers to help run the pop up gift room, please let **Sarah Endersby** ([endersbyfamily@outlook.com](mailto:endersbyfamily@outlook.com)) or **Becca Purll** ([mrspurll@hotmail.co.uk](mailto:mrspurll@hotmail.co.uk)) know if you are able to help or if you have any questions.

**Donation Boxes** are opposite Apple Class and in-between the two reception classes.

Lots of festive fun keeping the crowds fed & watered.
