THE REVUE SPECIAL! | School Discos

The Limpsfield Revue is a night like no other, it has to be seen to be believed. Definitely the most I've laughed in a long time. I'll certainly be signing up this year. No talent required!"

## Backstage Crew

Help make sure the acts run on time and assist them with any elaborate props!

## Door-staff Crew

Check off participants on the guest list and distribute food tokens.

## Sound Crew

Do you have any Audio experience? Some acts need multiple mics so some expertise would be good here!

We'd love to have great production values on this event.

## Bar Crew

Can you pull a pint? Open a bottle of Prosecco? Then we need you!

## Clean-up Crew

Yes, we do make a bit of a mess.

## What is the Revue?

For those of you new to the school, the very concept of a "Revue" might be a bit unfamiliar! The closest analogy would be a **Britain's Got Talent** without the judges and a theme, to loosely follow, thrown in.

It's one of the big calendar highlights of the year and secondary to this is that it's a great fundraiser.

It takes place at the church hall in Limpsfield (which has a handy stage) and we lay the tables out so everyone gets a good view. There is a licensed bar and we break half way through for some great food!

It's a perfect opportunity to meet and form lasting friendships across the school years.

The theme for 2020 is yet to be decided but we have some great ideas brewing! We will follow up on this newsletter with details of that and how to enter. **Nobody** is excluded and **anything** (almost anything!) goes.

Of course participation is not mandatory, but performers and partners do get first dibs on the limited availability tickets.

You can just come along, watch the acts and enjoy the **disco** that ends the night.

Next year it is on **March 14th** so please **save the date!!!**

It's staged by an army of in-school volunteers, so we are also looking for people to fill the various roles shown in the sidebar.

If you are keen to help out, please email David on [davidgrover@mac.com](mailto:davidgrover@mac.com)

## Christmas Fair Donations - Made with Love

Yes, it does seem a little early to be bombarded with news of the Christmas Fair, but we would like to put in an early shout out for last year's very successful **Made with Love** stall.

Are you arty, crafty, or creative in some way, and would you like others to be able to enjoy your craftsmanship?

The stall, inspired by a school Granny, is looking for donations of homemade crafts, gifts, stocking fillers, trinkets etc.

Last year we had tooth fairy pillows, key rings, headbands, jam and screen prints. We would be delighted to add anything 'Made with Love' to our collection this year.

We'll be happy to display contact details alongside the donations, if this would be of interest.

Please speak to Willow class reps if you have any questions.
