Welcome | STEM Update | AGM

The AGM

Normally, shortly after term starts we have an **AGM** at the school to go over last years successes and to look forward to the new year.

As meeting in person is off the cards right now, we will do an **online virtual AGM** which you will be able to join from the comfort of your own home.

We will decide on a date in the short term. **Watch this space!**

2nd Hand Uniform

We are able to start collecting second hand school uniform again thanks to **Laura Pickering!**

If you have any, please pass it on to your **Class Reps** next week and **Jo Walker** will gather it all up.

We will come back with details on how to buy, soon!

Welcome back!

As our children return to the classroom full time and we all adjust to the 'new normal', the LSA are delighted to be back. We would also like to give a warm welcome to our new **Reception parents** 🙌.

We hope you and your families are all well and you survived the pressures of home schooling!

It's certainly been a strange and uncertain time for everybody.

The LSA are currently thinking about ways we can continue with the important fundraising for the school, whilst respecting the ever changing restrictions and guidelines. We will be thinking outside of the perspex box on this one! As always, your ideas are extremely welcome.

Read on for more news, and WELCOME BACK! 🤗

Small ways to fund raise

Amazon Smile - A portion of eligible Amazon purchases are contributed to the school. Sign up [here](#).

STEM Room Resources

Thanks to your generosity the STEM room resources is nearly 100% funded! We have raised **£3800** out of a target of **£4200**. Any last donations are gratefully received.
